27 March 2019

Dear Friend,

Relay For Life Penang – Fighting Cancer Together 2019

I am indeed very happy to inform you that Relay For Life Penang – Fighting Cancer Together is being organised again this year for the 15th consecutive year. This relay has two primary aims - raising cancer awareness and raising funds for cancer patient support. Those who have taken part in our past relays as survivors would testify that the relays have been very meaningful as they served to inform the public that there are many people who have won the fight against cancer.

Registration for survivors is **free**. I cordially invite you to register on or before **27 June 2019**. Your presence, along with other survivors will be testimony that there is hope for those with cancer.

The details in this celebration of cancer survivors are as follows:

Date: Saturday, 27 July 2019

Venue: Rumah Hospis, 250A Jalan Air Itam, 10460 Penang

Time: 3.00 pm: Entertainment in relay grounds begins
4.00 pm - 5.30 pm: Checking-in at survivors' tent
(Checking-in after 5.30 pm will not be entertained. Please leave for the venue early to avoid the massive jams of that day)
6.00 pm: Ceremony begins
Survivors' lap
Track open to all participants
8.00 pm: Luminaria ceremony
9.00 pm: Good Night

The walk itself will be just one lap of the track (about 300 meters). In appreciation of your participation you will be given a special T-shirt and a certificate when you check in. Kindly register your participation early, the latest by **27 June 2019 to be eligible for the special T-shirt**. Registration received after that date will get a purple T-shirt.

We do hope that you can stay back after the walk and take part or witness all the other activities that will take place - entertainment, exhibition, music, games and, of course, Malaysian food! We would greatly appreciate if you would share this information with fellow cancer survivors who may want to take part. Photocopies of the registration form will be accepted.

Thank you and we look forward to meeting you at the RELAY.

Yours sincerely,

Mui Siew Koon
